
Second Grade at Calvary Christian

My name is Karen Britton and I have taught second grade at Calvary Christian Schools for 27 years, with a total of 35 years in elementary education. I graduated from Wheaton College with a degree in elementary education. I have 2 sons, both graduates of CCS and 4 grandchildren. I have been married to my husband Steve, for 40 years. I enjoy reading, walking and spending time with my grandchildren!

Mrs. Karen Britton

I think second graders are a treat to teach. I enjoy their enthusiasm and independence. It is fun to watch them grow over the course of the year. Everything we learn in second grade is something the children will continue to use long after they have left my classroom.

Our second grade store is another way we connect skills with real life. Earning coins for good behavior and good quality seatwork keeps the class fresh with money counting skills and money management. Spending those hard earned coins is so rewarding!

We enjoy celebrating Hundredth Day and creating gingerbread houses in December.

Gingerbread Houses

Hundredth Day

But most important to me is the fact that I can integrate my faith with my teaching at Calvary Christian Schools. Christian education centers around instilling Biblical values in children on a daily basis. I love the fact that I can pray with my class and approach classroom issues with a Biblical mindset. That is truly the education of the total person. I look forward to partnering with you and your child.
