

Calvary Christian Schools Fifth Grade with Mrs. Nousain

I have been a teacher at Calvary Christian Schools in the 5th grade since 1996. I have been married to my high school sweetheart, Michael, since 1985. I attended Grand Valley State University and earned a degree in history and education. Before teaching at Calvary, I ran a home daycare and taught preschool. I also earned a license in cosmetology and worked for a few years in that profession.

Mike and I have three adult children that attended Calvary from kindergarten through graduation. Our daughter Amanda is married to Daniel Boothe. They have a 3 year old son named Oliver and a baby girl named Marietta. Amanda is the drama coach here at CCS. Our oldest son Michael is married to Becky and they have a 2 year old named David and a baby girl on the way! Our youngest son Mitchell is married to Kayla Maine and they have a new baby boy, Beckett. We are very blessed with these wonderful grandchildren and to have such great children that love and serve the Lord!

Some of my favorite hobbies include: decorating, gardening, stained glass, sewing, raising chickens and enjoying our English Shepherds, Tucker and Tulla.

In the fifth grade, the students enjoy a full learning experience. Every subject is integrated with the Christian world-view. Besides reading, writing, and math, the students study Old Testament Bible from creation, to the fulfillment of the prophecy of Jesus. In history, they study American history from the earliest Native Americans to modern day America. In science, they study about God's creation in many areas including; life cycles, rocks and minerals, weather and other topics. Many hands-on experiments and activities are added to enhance our excellent Biblical curriculum.

Some of the highlights in the fifth grade are: field trip adventures, the MCC planetarium and our annual 5th grade Grace Bible Camp adventure.

It is a privilege to partner with the parents of fifth graders at Calvary Christian Schools to help them in training up their children to serve to Lord with all their hearts.
