## OUR HISTORY

Dr. Rolf has provided medical care to the Muskegon area for decades, practicing his passion for BBQ during his off time. After years of sharing his unique blends of flavor with friends and family, he and his wife Judy purchased a building in Muskegon's historic downtown area.

They renovated and converted the beautiful location into a restaurant and developing a diverse menu of unique and savory dishes, the doctor opened his doors and the rest is a history of great success. Now, Dr. Rolf's is bringing his unique craft BBQ and award-winning dishes to beautiful Grand Haven, in the Grand Haven Armory.
