

# **PLEASE GIVE GENEROUSLY TO CALVARY NOW!**

**“Though one may be overpowered, two can defend themselves.

***The Home, Calvary Christian Schools, and Church are our three strands of raising children!***

Response from New Family Survey...“Our son is already absorbing so much great information and a lot of that is faith based. He comes home and talks about Jesus or the things he learns in class outside of the academic learning and it is so gratifying as a parent.”

Dear Friends of CCS,

You can be proud of how well our Pre-K through 12th grades have continued to learn and thrive. Students and families are thankful for the many ways the staff and school board have prepared for in-person learning and are thankful for the support of all our donors!

God has blessed us with new families, new technology, new curriculum, a new sign on the building, a new website and school has gone on successfully through these trying times.

We still have families who wish to purchase a leaf on the “Leaving a Legacy Tree,” and it’s not too late (see prototype). A bronze leaf is \$500+, a silver leaf is \$2,500+, and a gold leaf is \$5,000+.

Calvary provides a Christ-centered education to many families in our communities. Your donation makes a difference in the lives of many young people right here at home! Please prayerfully consider giving generously to this important ministry!
